

First Choice for women

Walk for Life Registration Instructions Register Online Today... It's as easy as 1-2-3!

Sign up today as a single walker, a family, or join a team! Make it fun and easy for family and friends to sponsor your fundraising efforts from anywhere in the country with your very own Walk for Life web page! Donations can be made by credit or debit card, and you can easily add checks and cash to your sponsorship totals by adding an “off line” donation. Your web page will automatically calculate your total, showing how close you are to reaching your Walk for Life goal and display it on your fundraising thermometer!

Not fond of technology? We will help! We can walk you through the process or set it all up for you! Contact us today and start raising the funds needed to save and change lives in our community right away!

Earn a Free t-Shirt by pre-registering online on or before the stated deadline and collecting the required amount of donation sponsorships through your walk web page!

- Simply go to www.firstchoiceforwomen.org click the “Give Some Help” button
- ☛ Hover over or click on the “Our Events” menu and select “Annual Walk for Life”.
- ☛ At the bottom of the second paragraph click on the [Click Here to Register](#) link.
From the *FundEasy* Event Web page, click **Participate** and complete form.
- ☛ Complete the registration form and click continue.
- ☛ Create a username and password, or speed up registration by using Facebook
(*Note: a user name and password prefills the boxes if you already have a FundEasy login under that name. From this point you can click “Link Page to My Account” and registration will be complete.*)
- ☛ Click “**Create Account**”, or if a returning user “**Link to My Account**” at the bottom of page.
- ☛ You will be directed to an instructional video, you can watch or close. Once it is finished, you will be taken to your very own FundEasy page!

The screenshot shows the registration interface. Callout 1 points to the 'Participate' button. Callout 2 points to the 'Continue' button. Callout 3 points to the 'Create Account' button. The form includes fields for email, username, password, and confirm password, along with a 'Use My Facebook Account' option.

Optional Social Media Sharing Selections and/or Page Customization

- ☛ You have choices to set up your sharing options (Facebook/Twitter etc...) This is NOT required, but may improve support. Icons to the various social media options are on the left side of your walker web page.
- ☛ You may enable or disable Social Media sharing by going to your **Profile Settings** button.
- ☛ You also have the option leaving the default information OR customizing it with your own pictures, fundraising goal and message to your donors/sponsors!

An easy to follow video demonstration will start automatically, the video and other instructional information is also available at <https://fundeasy.uservoice.com/knowledgebase/articles/212134-getting-started-video>
