**Please watch the school Sycamore calendar for event details, field trips, and updates**

\* Testing will not occur on every day during the window time. Specific dates for specific grade levels will be announced at least one month prior to testing dates. We<sup>2024</sup> are letting you know the testing window so that you can avoid scheduling any medical appointments or family vacations during the testing window time. It is VERY important for your child and our school that each student is present for all testing days.
