Salvation Testimony

Please write at least **one parent's** salvation experience and relationship with Christ.

Academic Testing

If your child took a standardized academic test last school year, please submit scores. If no test was taken or no scores are submitted, Heritage Hall may schedule a test for your child as part of the application process.

Music Standards

The organizational music standards of Heritage Hall Christian School may be more conservative than each student's church, family or personal standards. Heritage Hall understands and respects the autonomy of the local church and of families to establish their own music standards. We also recognize each student's responsibility before the Lord to listen to God-honoring music. A student who attends Heritage Hall Christian School should not have as his or her regular listening habit secular music with words that are contrary to Biblical teaching or anti-Christian in philosophy.

Agreement

As parents, we understand that students must maintain a testimony consistent with the standards of the school. We agree to uphold the rules and standards of Heritage Hall Christian School as set forth in the Parent/Student Manual, and to abide by the decisions of the administration.
