## Academic Testing

If your child took a standardized academic test last school year, please submit scores. If no test was taken or no scores are submitted, Heritage Hall may schedule a test for your child as part of the application process.

## Music Standards

The organizational music standards of Heritage Hall Christian School may be more conservative than each student's church, family or personal standards. Heritage Hall understands and respects the autonomy of the local church and of families to establish their own music standards. We also recognize each student's responsibility before the Lord to listen to God-honoring music. Therefore, in light of the differences in philosophy between the home, the church and the school, Heritage Hall has adopted this policy:

*A student who attends Heritage Hall Christian School must not be a participant in an organized music group that performs publicly outside the home or church context music that would be contrary to the standards and philosophy of Heritage Hall. Furthermore, a student may not have as his or her regular listening habit secular music with words that are contrary to Biblical teaching or anti-Christian in philosophy (as is the case with the secular, popular music culture of today).*
