## MARK YOUR CALENDARS!

On Saturday September 24, the Varsity Volleyball team will be leaving to go play in the Calumet Volleyball Tournament. Details will come at a later date

During the week of September 25-30, HHCS will be holding *Invisible Illness Awareness Week*, which promotes awareness for unknown diseases.

Students will be learning about these diseases, the difficulties confronting those who suffer from them, and ways we can encourage and help those around us who may be struggling even though they don't "look sick." Special activities are planned for Friday, Sep 30.

Also on Monday, September 26, the 11-12th grade students will be attending the Student Leadership Conference at Cornerstone Baptist Academy. Details to follow.

## TEACHER SPOTLIGHT

We are looking to do something fun and different with *THE PATRIOT POST*, in this TEACHER SPOTLIGHT feature. Here's how it will work. Every other week, we will put a few facts about a teacher at HHCS. It's your job to guess who the teacher is. Submit your guess to the HHCS Communications Group and we will have a special prize for the winner. Here are the facts for our first TEACHER SPOTLIGHT.

## Be Our Friends!

## Our Fiftieth Year of Ministry

Half a century, five decades, two score and a decade, or fifty years- any way you section it off, fifty years is a long time. That's how long Heritage Hall Christian School has stood here in Muncie as a light for Christ. In 1967, Christian men and women had the foresight to build a place where young people can learn and grow in the admonition of the Lord, where prayer is encouraged and God is emphasized. Though the years there have been lows and highs, but HHCS has endured and made an impact. To this a fantastic fiftieth year, however, we need a few things.

We'll need the Lord's guidance, as with every day we live. It was the Lord's guidance that showed the need for a Christian school, and it'll be His guidance that sustains us as well.

The school will need the prayers of God's people. Many people have prayed long and hard over Heritage Hall throughout the years, for the staff, the students, funds, and numerous other essentials in keeping a school running at top notch. The students especially, with their masses of homework from teachers whose only love in life seems to be grading papers, will need continuous prayer.

The school ministry also needs your support. Simply coming to home sports games makes an impact. Whether a parent, grandparent, friend, or member of Grace - we need your support. We want you there for the concerts, games, and activities; we want your words of wisdom and encouragement. They are vital in a student's growth.

Another way that you can help is to take pictures of all HHCS activities, but don't just sit on your snapshots, send them in. It doesn't matter if all two thousand one hundred and three pictures are just of your child for the five seconds of the game they played, or if it's a unique view of campus and campus life. We want them all. We want to capture every moment of our fiftieth year. Just take a picture, send it to [astonewall@hhcsmuncie.org](mailto:astonewall@hhcsmuncie.org), and make a difference.

A lot of long nights, hard days, tough decisions, and prayerful people have gotten this school to the spot it is now; so, let's come alongside one another to make a fantastic fiftieth year that will never be forgotten, and show the world what Christians committed to Christ can accomplish.
