## Heritage Happenings:

Here at HHCS, our students have many awesome opportunities to do some pretty amazing things. One of our Seniors, Mr. Matthew Zirkle, was able to experience one of these opportunities. Matthew got the opportunity to go to St. Louis, Missouri, to the annual Town

Meeting on Tomorrow, held in Washington University, the site of the 2016 second presidential debate. We interviewed Mr. Zirkle about the experience he had there. Here is a brief summary of what he told us. Matthew had an awesome time at this Youth Salute. He was able to make a lot of new friends and learn a lot of tips on how to become a great leader at his own school through team building exercises. His team, at Youth Salute, was led by former NBA Player Greg Stokes; Matthew thought that was pretty cool. He was granted the honor of being presented the Jamie Harder Award, an award granted to the team member with the most team spirit. I'm sure you could believe that if you know Matthew. It is so wonderful the many things students at HHCS get to experience. Thank you Matthew, from the Communications Team for allowing us to interview you about Youth Salute 2016.

## THE QUEST FOR THREE: MAKING HHCS HISTORY

We are at that time of year again, the fall tournament! Our HHCS alumni, students, parents and fans have enjoyed exciting volleyball and soccer games for years. But there is a little more at stake than ever before for our men's varsity soccer team! As many of you know, we have conquered tournament for the past two years, and this year it could be our first #threepete in Heritage Hall history! Our team knows this and are excited to take on the challenge. We have had multiple injuries to a few of our key players, but that has not stopped us! We have played and conquered many teams without these players, and with a few of them back in business, we will have a high chance of bringing home the gold. One of our seniors and starting defender, Mathew Zirkle, had a few words about how the team is doing pre-tournament: "Excitement isn't the word I'd use. Anxious anticipation is what I'd use. We have a TON of potential, but it's going to be a real battle for our defense to outlast their offense(s) and a tough job for our own offense to shatter their defense. We have what it takes, it's just a matter of whether or not we'll deliver." This game will be a mental game as well as an endurance test for both sides. Who will come out as the victor? Come out to the Yorktown Sportsplex soccer field at 7:00pm Friday October 28 and find out!

### What are we about?

**Our mission is to assist Christian parents in the training of their children to conform to the image of the Lord Jesus Christ. Heritage Hall exists for the purpose of providing a thoroughly Christ-centered, Bible-believing, educational program that will prepare students academically, physically, spiritually, and socially for service to God and country.**

**~~~~~**  
**God has commanded us to subdue the earth and use it, and what better way to do that than to attend a Christian school! Our students get a complete God centered, and very rigorous education that has put out well educated students, preachers, workers, and family members that we will never forget.**
