THE PATRIOT POST

Heritage Happenings:

This representative democracy that we call America wouldn't last long without the power to vote. While today it is commonplace and a privilege that, sadly, is being ignored, to the founding families of America the opportunity to be a voice in the nation's government was an awesome responsibility that they took with utmost seriousness. That distinction, the ability to be heard, is what set America apart in the 18th century. It is what even today makes us unique to various countries. At first, people saw it as their duty and job to help the new nation that they called home. Today, we vote for various reasons, if at all. We asked two HHCS student why they were voting this November.

Katie Flick, a senior, said, "I'm voting because if you don't vote you don't get an opinion." Another senior, Brayden Karnes, says, " I think it is important to vote because it is my duty." While many Americans evidently don't think it is their duty to vote, I believe most still see it as a valuable privilege. As Christians, we should all see the need for voting to help put our voice in an increasingly secular government. We should "be in the world" and effect it for God's glory. I hope you, like many students at Heritage, go out and vote your conscience.

Patriot Sports:

Now that our soccer and volleyball seasons have come to a close, it is now time for your HHCS men's and women's basketball season! At the beginning of the season, we have our annual Fall Concert and alumni basketball games. Before our fall concert begins, we will be having a dinner at 5:30. Our HHCS bands and choir will perform pieces that have been rigorously practiced for weeks at 6:00 pm. Following the Fall Concert, our men and women's basketball teams will take on our beloved HHCS graduates from former teams! This is always a very exciting time of year where the young and the old can come together and play a sport that they both love. This will also be the first year that we will have a women's alumni game! We all can not wait for Friday when these events will occur and we can't wait to see all of you there cheering us on!
