

Scholarships for Education Choice is a valuable tool that makes a Christian education possible for many students whose parents cannot afford to pay full tuition. The Sagamore Institute is our SGO (Scholarship Granting Organization) of choice. We commonly refer to this as the “SGO Scholarship.” Gifts are made directly to Sagamore, but monies are designated specifically for Heritage Hall to be distributed at our discretion within the income-based eligibility guidelines.

An added incentive to give to this fund is the State of Indiana income tax credit. Currently you can claim up to 50% of your total donation to this fund to offset your Indiana tax liability. The Legislature has allocated \$12.5 million for tax credits beginning July 1, 2017. As of October 18, 2017, over half of this allocation has already been claimed.

How does this affect you? If you should desire to donate to the Heritage Hall SGO, you may make your donation any time between July 1 and December 31, 2017. However, to ensure you get the tax credit, we encourage you to donate before December 1. When the credit allocation is depleted, you will not get the 50% state tax credit even if you donate before December 31.

Checks should be payable to Sagamore Institute and mailed directly to them as directed on the form.

During the 2016-2017 school year, we received \$85,766.88 in donations and disbursed \$73,700.87 to students. We appreciate partners who help us meet the needs of our families.
